We invite you to fall in love all over again with your very own home away from home.

## ONCE UPON A DREAM...

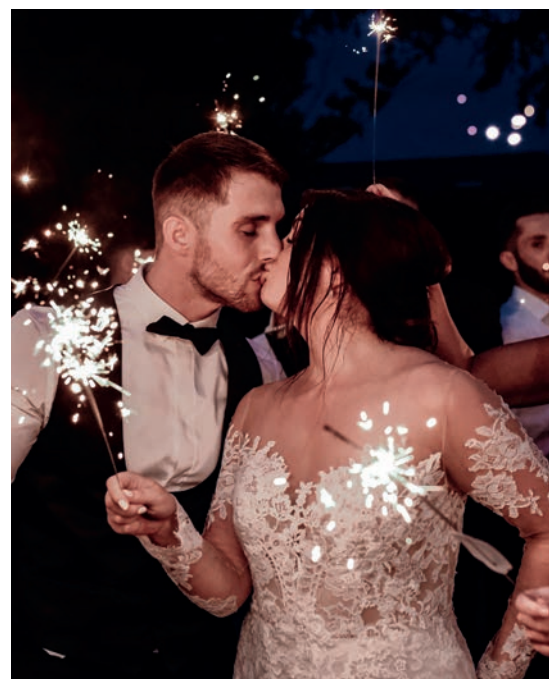

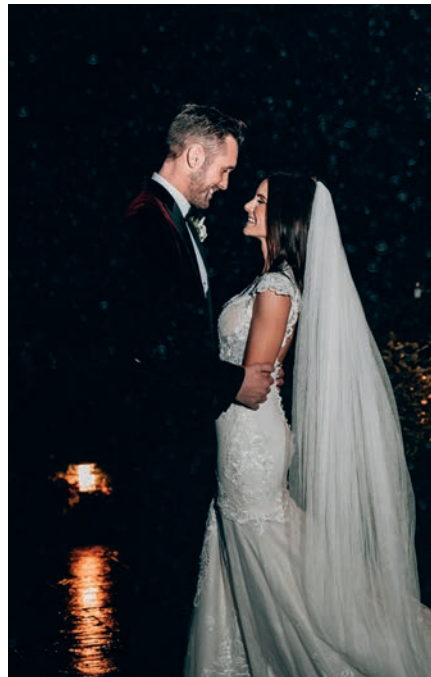

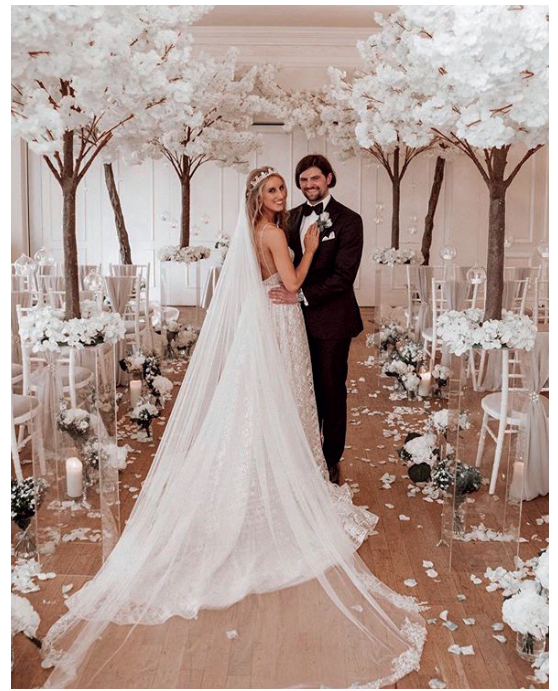

We're so proud of our beautiful grounds at our wedding venue and the stunning rolling Lancashire countryside that surrounds us, and we're also delighted to have ten glorious acres of grounds to share with you! When the sun shines, we know you'll want to make the most of it. West Tower gives you an endless selection of breathtaking backdrops for your wedding photos allowing you to create perfect memories that will last a lifetime!

Our terrace is an idyllic spot for welcome drinks and canapés, and our manicured lawn is perfectly flat which makes it ideal for garden games, especially if you have younger guests to entertain. When the weather is kind, the gardens at West Tower become an invaluable element of your wedding day – from the moment you walk down the aisle, to those memorable conversations with friends and family under the moonlight before you retire to bed.

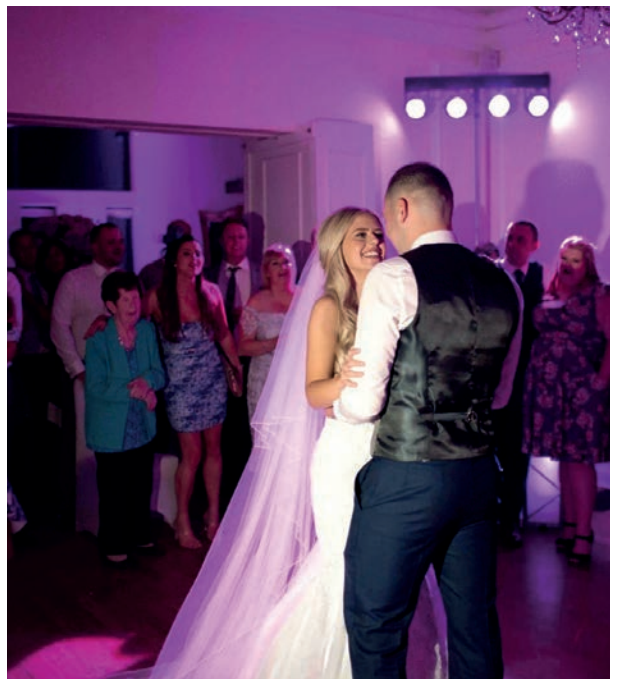

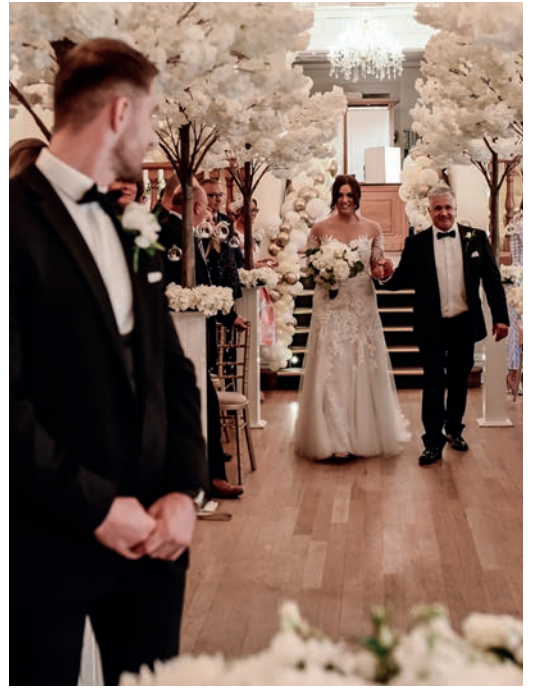

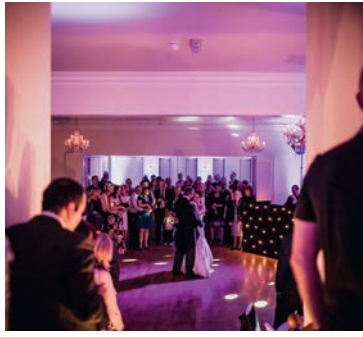

*"It was everything we could have dreamed of and more."*

Our splendid Ballroom is at the heart of every West Tower wedding. Our main space boasts floor to ceiling windows with far-reaching views over the Lancashire countryside and beyond. It's neutral wooden floors, ivory walls and delicate chandeliers lend themselves perfectly to any colour scheme or wedding style.

As the sun goes down, the Ballroom is the setting for your evening party with a spacious dance floor and ample space for a DJ & band and up to 250 guests!

*"The staff made our wedding day the best day of our lives."*

## A DREAM IS A WISH YOUR HEART MAKES

Every Country house wedding venue needs a room dedicated to relaxation and at West Tower, the Leather Lounge is our cosy haven 'away from it all'. Relax, unwind and soak up the day in our Leather Lounge.

Invite your guests downstairs to the Cellar Bar to begin the celebrations. With ample space for live music, and with doors opening to the terrace outside it's the perfect place to get the party started.

## LOVE AT FIRST BITE

Your wedding breakfast is one of the most memorable moments of your wedding day, and the first meal you will share as a married couple with your family and friends. With that in mind, we couldn't possibly expect you to choose the menu without tasting it first.

At our regular tasting events you will feel like a guest at your own special day. Enjoy your choice of starters, main courses and desserts

alongside a selection of canapés, wines and other drinks from our extensive wedding menu.

Our talented chefs use only the finest locally sourced ingredients freshly prepared especially for you on the morning of your wedding. Options are endless from delicious starters, inspirational main courses and lavish desserts.

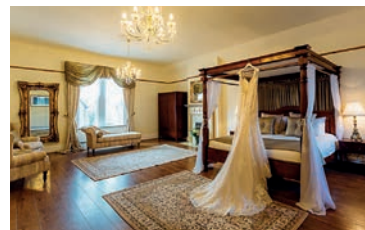

## MIRROR MIRROR ON THE WALL

Our lavish bridal suite is all yours from noon on the day of your wedding and, with its full-length mirror, it is the perfect place to get ready for your ceremony. When it comes to size, our bridal suite is second to none. We know how much space you'll need when getting ready with all your bridal party there to help. You'll have enough room to hang your dresses and suits, to do your hair and make-up and to enjoy a glass of something fizzy!

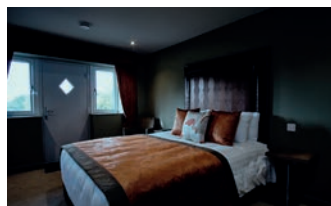

It's also a dreamy backdrop for all those lovely pre-ceremony photographs with your bridesmaids and whoever is walking you down the aisle. These are the moments you want to remember and cherish just as much as when you say "I do".
