2025-2026

# The creators of luxury Weddings in Cyprus

Welcome to our 2025-2026 brochure! Thinking of tying the knot in Cyprus? Our trademark is; “Customers are our priority, privacy is our pride and luxury comes as standard”. We do our very best to make sure that your day is perfect from start to finish, from when you initially enquire, right down to when you hop back onto the aeroplane at the end of your Honeymoon.

EYW were heavily featured on Channel 4’s “Sun, Sea & Brides to be” and this gave a lot of people insight into what goes on behind the scenes in the run up to the wedding and on the day itself. If you haven’t seen it, then you can still watch this on YouTube.

Our sister company, Weddings in Paphos, is for those couples that may prefer to keep their feet on dry land but still want the same professional touch that EYW offers. We have carefully hand-picked around 40 different venues in the Paphos region to cater for all budgets and needs, whether they be private, semi-private or non-private. You can marry at an exquisite private villa, an exclusive golf club or simply listen to the soothing sound of the Mediterranean Sea whilst saying your vows. Take a look at our website at [www.weddingsinpaphos.com](http://www.weddingsinpaphos.com) where you can even make an appointment to have a quick chat with one of the team.

Cyprus Wedding Decorators was formed in 2023 and as we have a vast amount of knowledge in the wedding industry, we decided that there was a market for additional wedding decor, and can offer a wide range of beautiful and customised décor options to make any wedding day truly special.

We have a range of arches, Chiavari chairs, chair décor, aisle runners, centrepieces, light up dancefloors, 4ft Love lights, and lemonade and prosecco stands, to name a few. If you’d like to have anything personalised, then we can also provide welcome signs, table plans, place name cards and order of the day, amongst others.

Please ask for a link to have a browse through our decor brochure or check out our website on [www.cyprusweddingdecorators.com](http://www.cyprusweddingdecorators.com)

Cyprus has been chosen as the No. 1 destination for the UK, and EYW have a great team of professional wedding specialists that are proud to be the award winners of the 5\* customer service for 8 years running. We have a dedicated website where we list all of our yachts and venues that host weddings. We understand that getting married abroad can be very daunting; and EYW are pleased to take all this stress and hassle away from you and make sure that everything is in the right place at the right time on your big day. Marrying abroad could not be simpler and we have a large selection of packages to choose from and can create bespoke packages to suit your needs.

# Symbolic Blessings & Renewal of Vows

Symbolic Blessings and Renewal of Vows ceremonies are becoming more popular for those that simply wish to show their continuing devotion to each other.

The ceremony can be conducted on board, at the Vrissi or on the beach, by our Celebrants. If you should wish to bring your own celebrant too, this is not a problem.

We can also conduct same sex blessings which is a symbolic ceremony with no legal binding. This is a beautiful way of showing your commitment to each other and we can put together the perfect package to suit your needs.

All of these ceremonies last for approximately 15 minutes and this will include a certificate of your special day for you to keep.

We will begin with an introduction and then read a short paragraph about your story, how you met, how your relationship has progressed, any children etc. Following on from this the Celebrant will say a few intimate words to you both before beginning the Ceremony.

You will be asked to repeat after the Celebrant for the Vows and then the rings will be blessed before you can finally kiss.

If you would like to have a Symbolic Blessing or Renewal of Vows ceremony at Lemba Vrissi or Lemba Beach, there is an additional fee to pay to the community board of €350, plus a further €200 to pay for a Blessing/Renewal of Vows to Paphos Municipality.

# Anglican Weddings

At a choice of Churches or  
on board our yachts

Full Christian Marriage services according to the rites of the Anglican Church can be conducted at various venues in the Paphos district of Cyprus. The main churches that the Anglican Church uses are the ancient and historic Church of Ayia Kyriaki Chrysopolitissa (the Church by St. Paul's Pillar) in Kato Paphos, the beautiful Church of Panayia Odigitria in Kouklia and the stunning St Nicolas chapel in Kato Paphos. (Please note that there are extra charges for a Church ceremony which are paid directly to the Church)

Anglican marriages can also be conducted on board the licensed yachts in Paphos or at Lemba Vrissi

There is no need to have a civil ceremony before an Anglican marriage service, as the officiating clergy are Licensed Marriage Celebrants of the Republic of Cyprus. The Marriage Service that is used is similar to that used in the Church of England and is recognised in British law as a valid marriage.

You will also need to have an Apostille stamp put onto your marriage certificate and we can arrange this for you for an additional charge.

There is a variety of music and readings allowed in the service, but it must be stressed that it is a Christian marriage service that is being offered and those seeking such a marriage should be fully appreciative of the Christian content of the service.

It is also possible to conduct a service of Blessing of a marriage, services of Thanksgiving for marriage and Renewal of Vows.

Please note that it is NOT compulsory to be Christened to marry in the Church. All charges must be paid for directly to the Church.
